## Fabric Face Mask Order Information

Thank you for your interest in purchasing a fabric face mask! We are sewing as fast as we can to fill all local and online orders! We are also continuing to donate to front-line personnel in Kootenai County. To date, we have donated approximately 600 masks!

Fabric Face Masks are \$10 each. You will be contacted by a Crafty Crew member when your order is ready for pick up. Pick up will be at either the Elks on Prairie or in the Post Falls area (your choice).

In order to streamline your order, please email us the following information to **craftycrew208@gmail.com**:

**Name**

**Phone number**

**Quantity of masks needed.** (Masks are adult size. Please let us know if you need a child size mask). Please also include:

No. of female masks (patterned or solid color)

No. of male patterns (patterned or solid color)

**Location you would like to pick up your mask:** Elks on Prairie or Post Falls area

We would like to eliminate the transfer of money between our supporters and our Crafty Crew members.

**Will you be paying:**

**Prior to pick up** (Facebook Pay, Etsy invoice\*)

**At the time of pick up by check made payable to "3Cs"**

If you would like to purchase your mask online (and choose your design), we invite you to visit our Etsy store "CraftyCrew208" at <https://www.etsy.com/shop/CraftyCrew208>. Masks purchased through Etsy are \$10.99 plus shipping. (The additional cost is to cover our seller fees). Our Etsy shop sells out fast!! Please check back often or send us a conversation through the site so we can let you know when we restock.

You will receive a confirmation email when we receive your order.

All of our sewers are volunteers who have been working ENDLESS hours lately! Your order will be processed within a few days, and your patience is appreciated.

We are accepting donations of 100% cotton fabric, 1/8" or cord elastic, thread, etc. We are also accepting donations to our local food banks.
